*“As for the word that he sent to Israel, preaching good news of peace through Jesus Christ (he is Lord of all)”*

Acts 10:36

## TESTIMONY FROM THE CENTRE

Miguel was a young boy when he came to the Centre. He’s now a young teen and has learned to read and write. He’s doing very well at school grade 7 and also helps at the centre. Here is a picture of Miguel leaving for the first time for Easter weekend to attend a Christian youth retreat. Praise God came back renewed and encouraged reading the word and some boldness. Miguel is quite shy and at times timid and unsure of himself. Please pray for Miguel as he becomes a young man of God. Wendy Alexander and her family sponsor Miguel and are very proud of the young man he’s become. John 15:5 “I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit; apart from me you can do nothing.”

## Youth Ministry

**Ambiroix is spending time with the children, doing crafts and teaching about Jesus.**

## Visitors to the Centre

**We had some visitors to the Centre –**

**Clive and Anne spent the day with the children. It was a fun filled day for all. Visitors are always welcome at the Centre. We continue to encourage people to come and see what the children are learning.**

## Activities in LaVigia

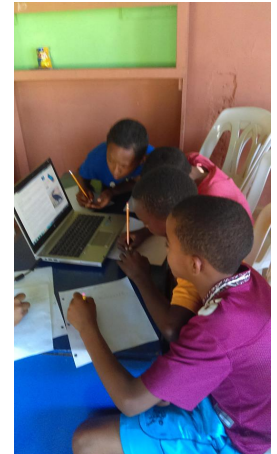

Spending some time together learning about the death of Jesus and resurrection

Luke 24:6-7

“He is not here; he has risen! Remember how he told you, while he was still with you in Galilee: ‘The Son of Man must be delivered over to the hands of sinners, be crucified and on the third day be raised again.’”

The Children in LaVigia are doing their homework on the donated laptops. They are learning to use technology to complete their work. They are working very hard to stay current as possible for their future.

## Cuba

There has been a lot of work on the construction of church in Cuba. Brother Roberto and his wife Yola are working hard to get church complete.

Construction continues on the church with many helping hands.

*Ephesians 4:29 “Let everything you say be good and helpful, so that your words will be an encouragement to those who hear them.”*

## Haitian Village

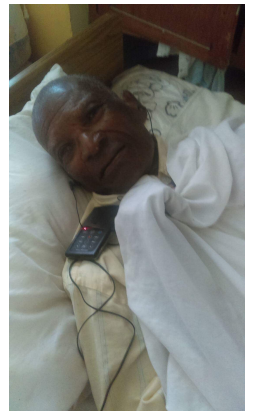

Most of the children in the Haitian village cannot read/write or speak in Spanish. When we go to the Village, we continue to work with the children to not only teach them to read, write and speak in Spanish, but we also share the Good News of the Gospel.

*Proverbs 22:6 "Train up a child in the way he should go; even when he is old he will not depart from it."*

## Las Paz y Esperanza Seniors' Home

We continue to spend time with the Seniors and bring them a weekly meal. There is a man at the home named Anthony, and he received the word of life. He is a blind man, bed ridden but his faith is amazing. I brought him some readings from In Touch Ministries, by Dr. Charles Stanley. He was so happy that is now able to listen to the Word in Spanish, the teachings of Dr. Stanley.

## India

We continue to ask that nothing is posted on social media regarding Pastor Silas work he is doing. He is doing tremendous work in God's name with men, women and children in India. From working with the youth, to helping orphans to feeding the needy, Pastor Silas is making a difference. Not only feeding the body, but also the soul.

*I am very grateful to visit Canada again and during my time there I attended the celebration of the 100 Anniversary of Independent Assemblies of God in Abbotsford, BC. I was able to make some connections with new friends. I was mesmerized by the amazing mountains of the Rockies of British Columbia. God does wonders.*

*While I was in Toronto I met up with my friends at Malvern Christian Assemblies, enjoyed the time I spent with them. I was also able to attend the banquet in Southwestern Ontario. I want to thank everyone for their help with the banquet as it was a huge success. I am looking forward to seeing everyone again in the fall.*

*Thank you for all love and support you have given to me and the Ministry.*

*I would also like to thank everyone for their generous financial support over the years. More monthly support for the DR and the Ministries in different countries would greatly assist us in fulfilling our commitments. May our Lord bless you all.*

With Love,

*Richard*
